GEORGE BRODIGAN
1911-1923

George Francis Brodigan was born in January 1870 in Sonora, California to Mr. and Mrs. Terrance Brodigan, natives of Ireland who relocated to Virginia City and then Hawthorne. After graduating from Hawthorne schools and the University of Nevada, he held a number of jobs in the mining industry and worked as the business manager for the Virginia City *Territorial Enterprise*, becoming an honorary member of the Washoe Typographical Union. He was one of the first Nevadans to move to Tonopah during the boom years of the southern Nevada camp, operating the first hotel, the Valley View House. He was also engineer of the first Tonopah and Goldfield Railroad to steam into Tonopah.

Brodigan's political career began in 1904 when he was elected Esmeralda County Recorder and Auditor. In 1910 he was elected Nevada Secretary of State, a position he held until 1923. Brodigan was favored as a Democratic candidate for governor in 1914, but was persuaded by the Senator Newlands machine to stand down in favor of Emmet Boyle. George chose not to run after his third term ended in 1923 but was unhappy out of public life and ran again in 1927, losing to incumbent William G. Greathouse. Brodigan successfully ran for Chief Clerk of the Nevada Supreme Court (at that time an elected position) in 1934. He died in office on February 28, 1938 of a heart attack.

Brodigan married Margaret Ingram, a native of Virginia born about 1895, in Virginia in 1911. They had no children. After George's death, Governor Kirman appointed Margaret to fill her late husband's unexpired term; she then ran successfully and held the office of Chief Clerk of the Supreme Court until 1947. She died May 8, 1961 in Charlotte, North Carolina, where she was living with relatives following a stroke eighteen months earlier.

MALCOLM MCEACHIN
1937-1947

Malcolm McEachin was born in Oklahoma on February 17, 1903. He moved to Reno with his family and, according to his US Armed Forces interview sheet, completed one year of high school before being employed by local wholesalers. McEachin was very active in Nevada Democratic Party politics, founding and serving as president of the Nevada Young Democrats Club. In 1936, he was elected chairman of the Nevada Democratic State Central Committee and served in that capacity until his appointment to replace the late William Greathouse as Secretary of State by his close friend Key Pittman; he'd been active in many of Pittman's political campaigns. McEachin was elected in his own right in 1939 and served until January 1947.

As Secretary of State, McEachin was ex-officio Motor Vehicle Administrator, an area in which he took great interest. An active member of the American Association of Motor Vehicles Administrators, he served as the group's president in 1945. McEachin sought election to the US House of Representatives in 1946, winning the Democratic Party nomination, but losing the general election to future Nevada Governor Charles H. Russell. After McEachin left office he remained active in Democratic Party politics. He also headed the Traffic Safety Division of the Nevada Public Service Commission; served as executive assistant to Representative Walter Baring in Washington, DC; and worked as a drivers' education trainer in Sparks' schools.

McEachin married Lola DiPictro of Sparks in 1935 and they had three children: Joseph, Gordon, and Michael. Both Lola and Malcolm died in Reno in 1959: she at age forty-two on January 13 and he on October 11 at age fifty-six.

WILLIAM D. SWACKHAMER
1973-1987

William Swackhamer was born in Battle Mountain, Nevada, on August 18, 1914 to parents who had operated one of Nevada's oldest grocery stores. A Democrat, he was elected to the Nevada State Assembly in 1947 and served as Speaker of the Assembly for five sessions, but was defeated in his 1972 re-election bid when his former district (Lander, Eureka, Pershing) was re-districted. Throughout the course of his time in the Assembly, he became well-known for his financial acumen. Swackhamer was appointed Secretary of State by Governor Mike O'Callaghan in January 1973 to fill the unexpired term of John Koontz. He was re-elected for three subsequent terms and left office in January 1987 after choosing not to run again. New regulations requiring registration of legislative lobbyists and campaign contribution reports of candidates for election were administered by him during his time in office.

William Swackhamer died July 10, 2008 in Idaho at age 93.

FRANKIE SUE DEL PAPA
1987-1991

Frankie Sue Del Papa was born in Nevada on September 21, 1949. She graduated from El Rancho High School in Las Vegas and received a B.A. degree in Political Science from the University of Nevada, Reno; a JD from the National Law Center of George Washington University in Washington, DC; and attended the program for Senior Executives in State and Local Government at the John F. Kennedy School of Government, Harvard University.

Del Papa's political affiliation began when she served as staff and legislative assistant to US Senators Alan Bible and Howard Cannon (1971-1974; 1978-1979). She practiced law before being elected to the University of Nevada, Board of Regents,1980-1986. In the November 1986 election, Del Papa was the first woman to be elected as Nevada Secretary of State (SoS). During her time as Secretary of State, Del Papa focused on fully computerizing Secretary of State filings, enabling electronic filing of forms, upgrading fee schedules, bringing about election law reform and Securities Division enhancements, and increasing the staff of the SoS office. After serving one term as Secretary (1987-1991), she ran a successful campaign for the office of Nevada Attorney General (AG), also becoming the first woman AG in Nevada. She served two terms as AG, 1991-1999, before returning to private law practice in Reno.

Frankie Sue Del Papa has been honored by a number of organizations, including the National Conference of Christians and Jews (Humanitarian of the Year) and the Augustus Society and the Nevada Society of Italian-American Lawyers (Italian American of the year). She was also elected Secretary of the National Association of Secretaries of State (1989).

CHERYL A. LAU
1991-1995

Cheryl A. Lau was born in Hawaii in 1944. She received a BA degree from Indiana University, an MA from Smith College, a Doctorate from the University of Oregon, and was a professor of music before deciding to return to school to earn a Juris Doctorate from the University of San Francisco in 1981.

Lau became a Deputy Attorney General in the 1980s and served until being elected Secretary of State in the General Election of November 1990. Under Lau, the office of Nevada Secretary of State underwent a number of major projects and changes. In 1993, the Secretary of State spearheaded the most comprehensive election reform in many years. The office rewrote Nevada's incorporation statutes, helping streamline the process of doing

business in Nevada. The Securities Division also increased their investigative force and stepped up efforts to educate the public in the prevention of investor fraud. Also in 1993, the Carson City office underwent a reorganization and a division of Administrative Services was created, with Commercial Recordings centralized under one deputy. The office issued a number of publications about filings and duties of the Secretary of State, initiatives and referendums, and investor fraud.

She served one four-year term as Secretary before running for Governor in 1994, but was defeated in the primary election by Jim Gibbons. Subsequently she became the General Counsel to the US House of Representatives in Washington DC, 1995-1996; was a Teaching Fellow at Harvard University in the John F. Kennedy School of Government, Institute of Politics; and Judge Pro Tempore for the Carson City Justice and Municipal Courts. In 1992, she served as vice chair of the Republican National Platform Committee, secretary of the Republican National Convention, and chair of the National Commission for the Renewal of American Democracy. Lau was active in the Nevada Commission for Women and the National Association of Secretaries of State (NASS), serving as chair or co-chair of several committees and organizing the winter 1993 NASS annual meeting in Las Vegas. She was particularly interested in the NASS program called Project Democracy.

Cheryl Lau is married to Garth Dull, former Director of the Nevada Department of Transportation.

RECORDS 10 cu. ft. 1991-1994

There is documentation on Lau's programs to guard against securities fraud, new election regulations and legislation, and notary public regulation. These records are organized by date, then by type of document (correspondence, subject files, clippings, etc).

DEAN HELLER
1995-2007

Dean Heller, born in Castro Valley, California on May 10, 1960, graduated from Carson High School in 1978 and received a BS from the University of Southern California in 1985. Before entering state service, Dean was a senior commercial banking consultant with Bank of America and an institutional stockbroker and broker/trader on the Pacific Stock Exchange. He then spent two years as Chief Deputy State Treasurer. A Republican, he represented Carson City in the Nevada State Assembly from 1990-1994 before becoming the youngest elected Secretary of State, serving three terms from 1995-2007. He was also elected as Representative in the US Congress for three, two-year terms, from 2007-2011. On May 3, 2011, Nevada Governor Brian Sandoval appointed Heller to replace Senator John Ensign, who had resigned. Heller was sworn in May 9, 2011 and was then elected to a full term as Senator in 2012.

As Nevada Secretary of State, Heller made significant changes to the elections process in Nevada, along with enhancing the agency's use of technology. In 2004, Nevada became the first and then only state in the nation to include a paper audit trail printer on all electronic voting machines, decertifying all punch card voting machines and purchasing new touch screen machines for the entire state. Adoption of the use of electronic signatures and implementation of electronic processes enabled the Secretary's office to offer nearly all services on its website.

Heller married his wife Lynne in 1984; they have four children – Hilary, Harris, Drew, and Emily. Dean is an athlete who loves participating in stockcar racing and who, with his wife and family, performed with the Western Nevada Musical Theatre Company. He was a member of the National Association of Secretaries of State, served on the Board of Directors for Western Nevada Community College Foundation, as a Director of the Boy's and Girl's Club of Western Nevada, and on the Nevada Council on Economic Education.
