

Frequently Asked Questions – Campaign Contributions

Candidates for state political offices have to file campaign disclosure statements for contributions and expenditures in the Secretary of State's Election Division. The records are kept there for two general elections and transferred to the State Archives. They are filed by title of the elected office and because of the demand for this information, Archives staff created a name index to these records. The records begin in 1896 and are scattered until 1950. The most complete files begin in 1976 and continue through 1998. There is an eight year delay in receiving reports from the office of the Secretary of State. The forms for 1998 to the present are available on the Secretary of State's webpage Election Center: <http://nvsos.gov/SOSCandidateServices/AnonymousAccess/CEFDSearch/BrowseReports.aspx>.

The screenshot shows a web page titled "Browse C&E/Financial Disclosure Reports" with a sub-link "1998-Present". The page features a table of "Contributions and Expenses and Financial Disclosures" with two columns of links for each year from 1998 to 2013. Below the table are three links: "Click here to get Acrobat PDF viewer or Adobe Reader", "Click here for help on TIFF images", and "Click here to SEARCH C&E/ED documents".
