Ask your librarian for details on how to access *Academic Search* within the library or remotely.

See reverse side for features that make researching easier.

EBSCO

Features of Academic Search

Search Screen

- 1 **Search Box:** Start your research by *entering keywords* to search journals, books and more.
- 2 **Publications Browse:** Find articles by browsing publications available in *Academic Search™* products.
- 3 **Subjects Browse:** Browse articles using EBSCO's controlled vocabulary of terms that assists in the effective searching of academic content.
- 4 **Browse Cited References:** Cited References connect users to additional information about EBSCOhost articles of interest.
- 5 **Search Modes:** Search using Booleans or exact phrases, automatically place AND or OR between your search terms, or search using large amounts of text with SmartText Searching.

Result List Screen

- 1 **Current Search:** Quickly view your current search selections and update your search results by removing selected items.
- 2 **Limit your results:** Refine your searches without navigating away from the results page.
- 3 **Facets:** Filter search results by source type, related subjects, and more.
- 4 **Personal Folder:** Create a personal My EBSCOhost folder to save articles, links to searches, images, and more.
- 5 **Related Images:** Preview thumbnail images from full-text articles and EBSCO's Image Collection.
