

Travel to Training Application Instructions

Travel to Training funding for library staff and trustees will provide costs to attend continuing education training events that are more than 50 miles from their library. Continuing education is defined as training which does not provide academic credit for librarian certification or academic degrees. Staff and trustees from public, academic, school and special libraries are eligible.

The application will be reviewed by NSLAPR staff, at the direction of the NSLAPR Administrator. If the training event is appropriate to the job requirements of the applicant, funds are available, it meets LSTA priorities, and the library is in compliance with applicable state and federal requirements including Library and Technology Act (LSTA) funding, it should be approved.

Travel to Training Grant Support

Travel to Training funding will be provided for those traveling more than 50 miles to a continuing education site. Transportation, meals and lodging will be funded. Either mileage will be provided for those driving more than 50 miles to a site or airfare. Airport parking and ground transportation will be funded. Administrative certification that travel is not possible without this funding is required for travel to training (see application certification form).

Submit the following:

1. Completed application form.
The detailed purpose of the training event section of the application needs to show how the purpose supports one or more of the following identified LSTA priorities:
 - Expand services for learning and access to information and educational resources in a variety of formats, in all types of libraries, for individuals of all ages in order to support such individuals' needs for education, lifelong learning, workforce development, and digital literacy skills;
 - Establish or enhance electronic and other linkages and improve coordination among and between libraries and entities, as described in 20 U.S.C. § 9134(b)(6), for the purpose of improving the quality of and access to library and information services;
 - (a) provide training and professional development, including continuing education, to enhance the skills of the current library workforce and leadership, and advance the delivery of library and information services, and (b) enhance efforts to recruit future professionals to the field of library and information services;
 - Develop public and private partnerships with other agencies and community based organizations;
 - Target library services to individuals of diverse geographic, cultural, and socioeconomic backgrounds, to individuals with disabilities, and to individuals with limited functional literacy or information skills;
 - Target library and information services to persons having difficulty using a library and to underserved urban and rural communities, including children (from birth through age 17) from families with incomes below the poverty line (as defined by the Office of Management and Budget and revised annually in accordance with 42 U.S.C. § 9902(2)) applicable to a family of the size involved;
 - Develop library services that provide all users access to information through

local, State, regional, national, and international collaborations and networks
