

Interlibrary Loan Policies

The Nevada State Library and Archives supports the Information Nevada structure by providing a second level of service as outlined by the Information Nevada agreement. The Nevada State Library and Archives provides interlibrary loan service to its identified customers at the level provided for the budgetary and staffing resources.

The Nevada State Library (NSL) borrows items through the national OCLC systems exclusively for Nevada governments and their employees. Public libraries in the area provide ILL borrowing services to the public.

The NSL lends Nevada related items through the OCLC system. Nevada newspaper microfilm lending is limited to the collection on hand of duplicate copies.

The NSL does not borrow or lend materials, in any format, for the study of family pedigrees or lineages, except as a function of Nevada governments.

As a member of the Information Nevada interlibrary loan system, the NSL submits OCLC requests for Nevada public libraries. This service is limited to 5 requests per public library district, per month. Each library district is responsible for establishing its own borrowing policy, while adhering to this limitation.

NSL is a member of the Cooperative Libraries Automated Network (CLAN) statewide system and participates fully in the ILL functions within the State of Nevada.

This policy supersedes any existing ILL policies and is in effect as of April 1, 2009.

Please Read Carefully.

This material has been loaned to you through the courtesy of another library. Please handle it with special care and observe the rules for its use. Your cooperation is important to our continued participation in loan arrangements with other libraries.

ABOUT THE DUE DATE

The date is not set by the Nevada State Library and Archives, but by the lending library. Failure to return items on time may result in denial of your future interlibrary loan borrowing privileges.

ABOUT RENEWALS

You may request ONE renewal, unless the material is marked "No Renewal." To renew, call Interlibrary Loan at 775-684-3328 at least one week before the due date. Renewal requests on or after the due date may not be approved. If the renewal request is denied by the lending library, you will be asked to return the material immediately.

ABOUT RETURNS

You must return this material only to the Nevada State Library and Archives. We have two book drops: one on Musser Street and one in the lobby of the State Library and Archives Building. You may also return the material to the Circulation Desk.

LOST MATERIAL

You are responsible for all items issued to you until checked-in at the Nevada State Library and Archives. Lost materials will be billed to you at the replacement cost set by the lending library. Two incidents of lost material will result in your losing the Interlibrary Loan service.

QUESTIONS?

For additional information, contact Interlibrary Loan.
