INTERLIBRARY LOAN POLICIES

Interlibrary Loan (ILL) is a service provided in which library material, or a copy of the material, is made available by one library to another upon request.

1. INTERLIBRARY BORROWING

The Nevada State Library, Archives, and Public Records (NSLAPR) offers an Interlibrary Loan (ILL) program to local, state and federal agencies and their employees, for borrowing library materials which are not available at their local libraries. A valid Nevada Library card is required to request items.

Other types of Interlibrary Loans that are offered at the Nevada State Library, Archives, and Public Records are detailed below.

Materials are loaned as a courtesy by another library. Please handle with special care and observe the rules for its use. Your cooperation is important to our continued participation in loan arrangements with other libraries.

- REQUESTS
  Requests for local, state and federal agencies and their employees must be submitted on the appropriate forms with complete bibliographic information. An electronic form has been created for convenience at http://nsla-nv.libwizard.com/ILL.

  The form Nevada libraries should use for their requests can be found at http://nsla-nv.libwizard.com/loan.

  Patrons will need a valid Nevada Library card to request materials.

  NSLAPR and public libraries in the area provide ILL borrowing services to the public.

- TURNAROUND TIME
  Plan ahead when requesting materials. Materials ordered through Interlibrary Loan arrive on average within 10-14 days, but may take longer depending on the speed of the lending library and the U.S. mail.

  Please take this into consideration when requesting material to ensure you will receive the material when needed.
• **LOAN PERIOD**
The length of the loan period is determined by the lending institution and not by the Nevada State Library, Archives, and Public Records.

Due dates must be honored and failure to return items on time may result in denial of future interlibrary loan borrowing privileges.

• **RENEWALS**
A renewal may be requested, unless the material is marked “No Renewal.” To renew, contact Interlibrary Loan services at nslill@admin.nv.gov or call 775-684-3307, at least one week before the due date.

Renewal requests received on or after the due date may not be approved. If the renewal request is denied by the lending library, you will be asked to return the material immediately.

• **FEES AND CHARGES**
There are usually no fees for borrowing material through Interlibrary Loan unless the lending library charges a fee. In those cases, the cost will be charged to the patron after the patron has agreed to the charges.

• **RETURNS**
All materials borrowed through ILL must be returned to the Nevada State Library, Archives, and Public Records.

Two book drops are available for drop-off: one on Musser Street and one in the lobby of the State Library, Archives, and Public Records Building.

Items can also be returned to the Circulation Desk inside NSLAPR.

• **LOST MATERIAL**
Patrons are responsible for all items issued until checked-in at the Nevada State Library, Archives, and Public Records. Lost materials will be billed at the replacement cost set by the lending library.

Two incidents of lost material will result in the loss of Interlibrary Loan service for a period of one year.
2. INTERLIBRARY BORROWING - Affiliations

NSLAPR is a member of the Cooperative Libraries Automated Network (CLAN) statewide system and participates fully in the ILL functions within the State of Nevada. As a holder of a Nevada library card, you may also request materials through the Cooperative Libraries Automated Network (CLAN) catalog, from any of the CLAN member libraries.

Requested materials may be picked up at the Nevada State Library, Archives, and Public Records, or your local branch library. Materials not available through the CLAN catalog may be requested through the Interlibrary Loan System, if you are an employee of the local State or Federal governments. If you are not an employee of said governments, please visit your local public library to request materials.

3. INTERLIBRARY LENDING-Institutions

The Nevada State Library lends to any requesting institution submitting its request on appropriate interlibrary loan forms or through the OCLC-ILL subsystem. Priority is given to requests from Nevada libraries and LVIS network libraries.

As a member of the Information Nevada interlibrary loan system, the Nevada State Library, Archives, and Public Records submits OCLC requests for Nevada public libraries. This service is limited to 5 requests per public library district, per month.

Each library district is responsible for establishing its own borrowing policy, while adhering to this limitation.

- NON-CIRCULATING ITEMS
  Media, reserve, microform and reference materials are designated as non-circulating and will not be loaned through interlibrary loan. This includes: Newspapers in paper, copy one of Newspaper Microform, Periodicals/Journals, copy one of State Publications, Nevada Reference, Barton Reading and Spelling System/Literacy Kits.

  Materials located in the Archives and Special Collections cannot be loaned but may be photocopied at the discretion of NSLAPR staff responsible for those collections. New books will loaned at the discretion of NSLAPR. Test books and study guides are loaned to Nevada libraries only and are not available for interlibrary loan to out of state libraries.

- JOURNALS
Photocopies of articles are provided in lieu of loaning journal volumes and/or issues. A maximum of 30 pages or no more than 4 articles, whichever may be less, may be requested in a calendar year.

- **MICROFILM**
  Nevada newspaper microfilm lending is limited to the collection on hand of duplicate copies.

- **LOAN PERIODS**
  Monographs are lent through Interlibrary Loan for six weeks use. Two week renewals of monographs are allowed if they have not been requested by a Nevada State Library, Archives, and Public Records patron.

- **OVERDUE MATERIAL**
  Overdue notices are sent on items that are not returned. Borrowing libraries will be billed for replacement cost of material that is two months overdue.

- **RESTRICTION ON USE**
  Borrowing privileges may be revoked if an institution consistently damages or fails to replace lost Nevada State Library and Archives material or if restrictions placed on borrowed items are ignored.

- **COPYRIGHT**
  The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material.

  Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be “used for any purpose other than private study, scholarship, or research.” If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of “fair use,” that user may be liable for copyright infringement.

  The Nevada State Library and Archives reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.
