Discussion and Vote:

The Committee discussed whether the record series on the General Schedule, RDA 2006059 “Licensing: Professional and Occupational Licensing – Application”, RDA 2014205 “Licensing: Professional and Occupational Licensing- Renewal”, and RDA 2018025 “Licensing: Professional and Occupational Licensing- Disciplinary” should be expanded to include businesses as well as individuals. It was decided that staff will research to determine if one or more record series already exist for disciplinary actions against a business, and that staff will also contact Sarah Bradley to obtain the legal definition of “professional and occupational”. Staff will send out a second notice letter to agencies which have record series on their agency specific retention schedule regarding licensing for professional and occupational licensing which differ from the General Schedule. Any agencies which concur with following the General Schedule as it has been updated will have their corresponding record series placed for deletion on a future agenda. Any agencies which are not in agreement will have their corresponding record series placed on a future agenda so the agency can present the justification as to why the General Schedule is not appropriate for the agency.

The proposals in Attachment F were tabled. The motion was made by Kathryn Etcheverria and the second was by Maureen Martinez. The vote was unanimous.

9: Public Comment
